Welcome to Terenure College RFC

Teams from all over Europe have the opportunity to include Ireland on their rugby tour itinerary, at the fantastic Terenure College RFC location – one of Ireland's best-known rugby clubs, and the adjoining Terenure College School, which boasts among the most significant rugby facilities of any school in Ireland.

The Tournament is a professionally organised two-day rugby event that brings teams from all over Europe together for a fantastic weekend of rugby. Every aspect of the game, its safety and ethos are upheld to the highest standards and the Tournament is organised in accordance with the Age Grade Rules and Regulations of the IRFU.

Welcome from Tournament Director

Why not join us in April 2017 for the 6th Terenure 13s - the ultimate European Youth Rugby Festival for the 13s age group.

In 2012 we began something very special, with Canet St. Marie from France winning the inaugural tournament. In the intervening years the journey continued with bigger and better tournaments. Our objective is to become the biggest and best Tournament at this age group in Europe. 2017 will be another important step on that journey.

If you'd like to be part of it, why not join us? You'll be glad you did.

Tournament Format

FULL SIZE PITCHES | LOTS OF GAME TIME

The primary aim of the Terenure 13s organisers is the promotion of fun, enjoyment and a love of all things rugby. And while quality of rugby is important, so too is the ideal of “fair play” and this is encouraged strongly.

Going on tour provides a rare and exciting opportunity for players, coaches and supporters to hone their talents, build team morale and develop friendships that last a lifetime. Participating teams will have the opportunity to compete against teams from different parts of Europe, thus allowing them to embrace different languages, cultures and styles of rugby first hand.

Eligibility:

All players must be under 13 according to the age rules of your country's governing rugby union/federation.

In 2017, the organisers are targeting a maximum of 20 teams - a relatively low number to maximise game time for all players. All games are played on full-sized pitches with fully accredited IRFU referees and touch judges.

On Saturday, April 29th all teams will play in a pool competition, with each team going forward to a streamed knock-out competition featuring cup, shield and plate on Sunday, April 30th.

All teams will be given the maximum amount of game time with the minimum amount of down time. This is our guarantee to all competing teams!

Social Information

FOOD | ACCOMMODATION | ENTERTAINMENT

The rugby site will feature ample catering facilities inside & outside the tournament marquee, and will be supplemented by the club's own bar and catering facilities. Practically all tastes will be catered for, from snacks, burgers, hot dogs, and confectionery; to soft drinks, beers and wine.

The event is also supported by local shops, restaurants and pubs in the Terenure area, all part of the "I Love Terenure" group, with many of these just a short walk away, particularly if you are after a more extensive or ethnic food offer, such as Italian, Indian, Thai or Chinese, or just a hearty steak house or local pub – and there are lots of the latter!

While the organisers do not provide accommodation directly for visiting teams, they will be only too happy to assist any team or travelling group in this regard. Terenure is very well located, within 5

kilometres of Dublin's city centre, and as such close to any accommodation requirement. For those on a tight budget, there are several large hostels recommended, with prices less than €10 per person per night.

Of course there are lots of budget and more luxurious hotel options available locally too, whatever the requirement. Please call us if you would like a specific recommendations. Outside of rugby there will be lots of fun and entertainment for all visitors.

This includes:

- Friday, 28th April* - Irish Music and Dance Night
- Saturday, 29th April* - Band & Disco*
- Sunday, 30th April* - Post Tournament Party

** Note: The Saturday night marquee event is for over 18s only. Other activities (for under 18s) TBA*

What people are saying ...

I have coached Mini Rugby over the last 7 years and have attended many Rugby festivals but I must say "hand on heart" that your tournament beats them all.

Johnny Vaughan, Bective Rangers FC.

Thank you for your hospitality this weekend. Thanks to the families who hosted our players. Congratulations for the flawless organisation of this great challenge. Congratulations on the victory of your great team. Soon, hopefully for next tournament...

Georges, Fabrice, US Canet - Ste Marie XV, France

Your tournament was just so much more friendly than any I have attended in the last dozen years as a mini and mini coach, which was down entirely to the good people of Ireland. The tournament was really well organised.

Robbie Dalziel, Coach Marr, Scotland

Many thanks again for what was a very enjoyable weekend of rugby – for parents and boys ... the high quality of the food, the high standard of the rugby and ... the standard of

rugby in the international match. I'll definitely be recommending that next year's Winchester U13s return to Terenure and ensure they fly in the night before to make the most of the Friday night entertainment and the rugby on Saturday.

James Shannon, Winchester RFC, England

I think we at Wilmslow do make excellent tourists! However it does take at least two to tango and you, your organising committee and all the people at Terenure should be especially proud of your achievements in organising the best festival I have have attended. Thanks again for your hospitality and I hope that the festival will go from strength to strength.

Simon, Wilmslow RFC, England

Thank you very much for a wonderful weekend of rugby. Our guys had a great time, made new friends and learnt some new things along the way! We really enjoyed every minute of the Festival and would like to congratulate Terenure RFC on running it so well. Hopefully next year we will see you all again.
